FINANCIAL SUPPORT FOR PLAYERS REPRESENTING YORKSHIRE

1. Changes to the structure of the Inter-County Championships mean that each category, (except for the Yorkshire 1st Mens and Womens teams, who go straight into the Finals weekend), have two weekends – Stage 1 and Finals. It appears that the winners and runners up from stage 1 go forward to a Finals and 'Trophy' ie Plate weekend, but the others do not. Please, however, check the details on the England Squash website.
2. As Stage 1 is regionalised and the Finals weekends are in the Midlands, this should cut down on travelling and overnight stays. I assume that England Squash will notify each Team Manager directly of the draws and locations
3. England Squash is now organising and meeting the costs of venues, so there is no longer a requirement on 'host' Team Managers to do so. You therefore have two main responsibilities – sort out the strongest team possible, and sort out team expenses, including the ordering and payment of T shirts
4. We do not contribute towards the travelling or any accommodation costs of players for matches played within the county boundary. For matches played outside the county, we pay 20p per mile for 2 cars (or one if three a side), and a contribution towards accommodation of £25 per player per night for up to six players (four if three a side, eight if a five a side junior team) normally for one night, but two if the timing of the first match on the Saturday requires travel on the Friday. Please reimburse the players during the event, and then submit a claim for reimbursement from Yorkshire Squash on the form below. This must come from the Team Manager, not individual players
5. It is a condition of our sponsorship from Allam Marine that players representing Yorkshire must wear the official T shirt, which is new for this season. The cost to the players is £14 adult and £10 junior after a subsidy of £10 (or £14 if a Junior orders an adult shirt) from Yorkshire Squash. Please check sizes with your likely team members and inform Steve Ridge steve@pontesquash.com cc peterkeen222@btinternet.com of the numbers and sizes required (players can check sizes on the website below). Steve is holding a stock of the shirts, but may need to order more, so please do this as soon as possible, but at least a month before your first fixture. You need to make arrangements with Steve for collection of the shirts, and pay him when you do so. You should then request reimbursement from the players when you hand out the shirts

Players can order additional T shirts and other items of clothing at their own expense direct from the manufacturer. Visit their website at www.iprosports.co.uk – Club Zone, and scroll down to Yorkshire Squash
